Street Projects:

The Chip Seal Project is set to begin on July 11th. The roads that are scheduled to be chip sealed are **Cedar Street, Lookout Blvd, Lakeview Blvd, Ellisport Street, Hope Ave, and a portion of School Road, Strong Creek Rd. and Snells Hill**. Road access may be restricted for short periods of time during the actual chip seal process. The contractor anticipates this project will only take one day.

The City was also awarded a $30,000 grant for sign replacement to bring street sign into compliance with the MUTCD code (Manual on Uniform Traffic Control Devices). This work will occur next year (2023).

Summer Fundraiser for the East Hope Park:

The City will be raffling off a photo by fine art photographer, Tom Woodward, **"Red, Green Leaves"**. The art piece was donated by the McBride's. The photo is printed on archival paper and framed with an 8-ply mat by Hen's Tooth Studio and retails at $850. Raffle tickets are $20 each or 6 for $100 with all proceeds going toward the East Hope City Park. The artwork can be viewed at city hall during normal business hours or a picture is posted on our Facebook page and on our website. Tickets will be on sale from July 1st to September 9th at city hall and the drawing will be held at our September 13th city council meeting at 5:30pm.

Water:

The yearly **Water Consumer Confidence Report for 2021** is now available on our website: cityofeasthope.com and has been posted to our Facebook page. If you would like a paper copy please contact city hall.

Public Notary Services:

The city clerk is a Notary Public. The City will be offering this service during business hours. You may contact the City if you have additional questions.

Building Permit:

The City has both building codes and zoning codes, so if you are starting a project such as a shed, deck, addition or new build please check with the City to see what permits you will need and if it meets zoning setbacks. A simple phone call or email to discuss your project will save you time and frustration as you plan for your project. We are seeing an increase in activity in the area and permits are taking 3 weeks to a month to process so please plan your projects accordingly.

Tips for How to be a Good Neighbor:

One of the biggest blessings of living in a community is having good neighbors however, the opposite is true of bad neighbors. Here are some tips to be a good neighbor…..

1. Maintain Your Property: Learn City Nuisance codes and keep the exterior of your home and yard maintained.
2. Promote Good Will: Giving your neighbors a heads-up of potential loud noise or large get-togethers can promote an understanding attitude and open lines of communication.
3. Slow Down: Mind the speed limit and be aware of children playing and neighbors walking or biking.
4. Practice Pet Courtesy: Keep your dog on a leash when walking in your neighborhood. Pick up after your pet and do what you can to deter ongoing barking disturbances.
5. Keep it Classy, Not Trashy: Set and remove your trash barrels according to the local schedule. Remove your barrels after pick-up.

Burn Permits: Burn permits are **required** from **May 10th to October 20th,** and are available at city hall. There is no cost for the permit.

Please Remember…Aerial Fireworks are Illegal

Have a safe and sane Fourth of July!
