

The Special Town Hall Meeting of the East Hope City Council was called to order by Mayor Deborah Field on October 22, 2025, at 6 pm. Council members Don Wells, Michael Wilcox, Joyce Butler, and Pam Brockus were present.

The city council met to answer questions regarding the ballot measure proposing a \$30,000 permanent override levy for streets. The impact to residents would be an additional \$20.89 per \$100,000 assessed net market value at current conditions. Each council member explained what the street fund is responsible for such as street maintenance, stormwater, winter maintenance and right of way maintenance. Several audience members stated that their biggest concern was that it was a permanent levy and they were more comfortable with a temporary levy. No decisions were made.

The meeting adjourned at 6:30 pm.
