Be Prepared! Winter Snow Removal Requirements: Snow plowing season is coming and this will be the second year with our official snow removal policy. Please do not park items within city right of way. A copy of our policy is posted on the city's website or you may request a copy at city hall.

Volunteers Needed: Do you like Christmas Lights? We need your help putting up the lights in the park. We are planning on putting the displays up in the park the 12th, 13th and 14th of November. If you would like to help please let us know.

Tree Lighting Celebration: Save the date! **December 5th** will be the city's annual tree lighting celebration at 5:30pm. Tell your neighbors and friends! Santa will be there too! We will have lots of coco and cookies. If you would like to volunteer to help please contact the city.

Water and Streets: Fall has arrived and winter is close by!! It is time to winterize your sprinkler systems and outside faucets. It's also a good time to change the batteries in your fire alarm and carbon monoxide detectors. Are you planning on being gone for an extended time? The city strongly recommends having your water meter turned off to avoid any potential leak disasters. The City adopted a new Leak Forgiveness Policy that only allows a certain amount of forgiveness and only one time per property ownership.

Vacation Rentals: The City has regulations concerning Vacation/Short-Term Rentals that were adopted with the new Zoning & Subdivision Ordinance #285. If you operate a Vacation Rental/Short-Term Rental, you are required to register with the City. The registration fee for the first year is \$50.00 and subsequent years are \$25.00. Vacation Rentals/Short-Term Rentals Registration forms are available to download on the City's website.
