

The Special Meeting of the East Hope City Council was called to order by Mayor Vern Fleisher at 1 pm on Friday, December 6, 2019. Council present were Lonna Bernard, Ian Barrett and Debbie Field. Council member Grimm arrived late.

City council held a workshop meeting to review and discuss a scope of work for the transportation plan update. The City selected Welch Comer as the engineer for the project at their November meeting. Matt Gillis from Welch Comer was in attendance at this meeting to discuss the scope of work and presented to council several task points to be included in the scope of work. Council also identified several problem areas in the City and discussed the general lay of the streets. Mr. Gillis felt he had enough information to proceed with the scope of work outline.

Having nothing further to discuss the meeting adjourned at 3:00 pm.
